APPLICATION REVISED May 8, 2000

CITY OF SAN ANTONIO

November 21, 2000

Mr. Andy Slavens

Pape - Dawson, Engineering Inc.
555 East Ramsey
San Antonio, TX

Re: Y.C. Partners

POADP # 686

Dear Mr. Slavens:

The City Staff Development Review Committee has reviewed Y.C. Partners Preliminary Overall Area Development Plan # 686. Please find enclosed a signed copy for your files. Your plan was accepted, however please note the following:

- In consideration of public safety and convenience, excessive grades by reason of topography should be avoided in street layouts and arrangements.
- Access and R.O.W. issues along state facilities will need to be resolved with the Texas Department of Transportation (TXDOT). For information about these requirements you can contact TXDOT at 615-5814.
- This development will need to comply with tree preservation ordinance #85262. For information about these requirements you can contact Building Inspections at 207-7102.
- It will be expected that you will plat all of the property depicted in your POADP, to include: floodplains, drainage areas and open space.
- I would encourage you to work closely with the school district, so that they can plan accordingly.

Mr. Slavens
Page 2
November 21, 2000

Please note that this action by the committee does not establish any commitment for the provision of utilities, services or zoning of any type now or in the future by the City of San Antonio. If the proposed development is not platted in phases this POADP will be invalid.

All Platting will have to comply with the Unified Development Code, Master Plan and Major Thoroughfare Plan for the city of San Antonio.

If you have any questions regarding this matter, please contact Mr. Michael O. Herrera, at (210) 207-7900.

Sincerely,

A handwritten signature in black ink, appearing to read "Emil R. Moncivais". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
